To convert heat output to BTU/hr multiply the figure shown for watts by 3.412

Towel rails can be added at an additional cost of \$257

All heat outputs in this list are calculated in accordance with BS EN442, based on a Delta T of 60°C - for an explanation of this and to calculate performance at different Delta Ts please see the technical pages in the brochure or on the website.

Connections are 1/2" BSP opposite end side unless otherwise specified

Bottom connections can be specified for \$155 extra per radiator

All Eskimo products are manufactured in the UK. Prices may be subject to change without notice.

To convert heat output to BTU/hr multiply the figure shown for watts by 3.412  
Towel rails can be added at an additional cost of \$257  
All heat outputs in this list are calculated in accordance with BS EN442, based on a Delta T of 60°C - for an explanation of this and to calculate performance at different Delta Ts please see the technical pages in the brochure or on the website.  
Connections are 1/2" BSP opposite end side unless otherwise specified  
Bottom connections can be specified for \$155 extra per radiator  
All Eskimo products are manufactured in the UK. Prices may be subject to change without notice.

To convert heat output to BTU/hr multiply the figure shown for watts by 3.412

Towel rails can be added at an additional cost of \$257

All heat outputs in this list are calculated in accordance with BS EN442, based on a Delta T of 60°C - for an explanation of this and to calculate performance at different Delta Ts please see the technical pages in the brochure or on the website.

Connections are 1/2" BSP opposite end side unless otherwise specified

Bottom connections can be specified for \$155 extra per radiator

All Eskimo products are manufactured in the UK. Prices may be subject to change without notice.

RON hydronic heating radiator price list - excluding GST
